

Remarks

Applicant received the Notice of Non-Compliant Amendment mailed 12/12/2007, indicating that the claims presented in the Amendment and Response filed 09/26/2007 were not presented in ascending numerical order. In particular, Applicant notes that there were two claims numbered 43. Accordingly, Applicant files herewith a corrected amendment, correcting the numbering of claims 44-48, such that there is now only one claim 43. Applicant submits that the present set of claim amendments is compliant, and therefore respectfully requests that the amendment be entered.

Applicant further re-iterates the Remarks made in the Amendment and Response filed 06/27/2007, and incorporates the same herein by reference.

Based on the foregoing, all pending claims are in a condition for allowance. Accordingly, Applicant respectfully requests reconsideration and an early notice of allowance.

The Commissioner for Patents is hereby authorized to charge any deficiency or credit any overpayment of fees associated with this particular amendment to Frost Brown Todd LLC Deposit Account No. 06-2226.

Respectfully Submitted,
